3-D Mouse Mine #9 Engine

Parts & Pieces Sheet 8A

TWEETSIE®
RAILROAD

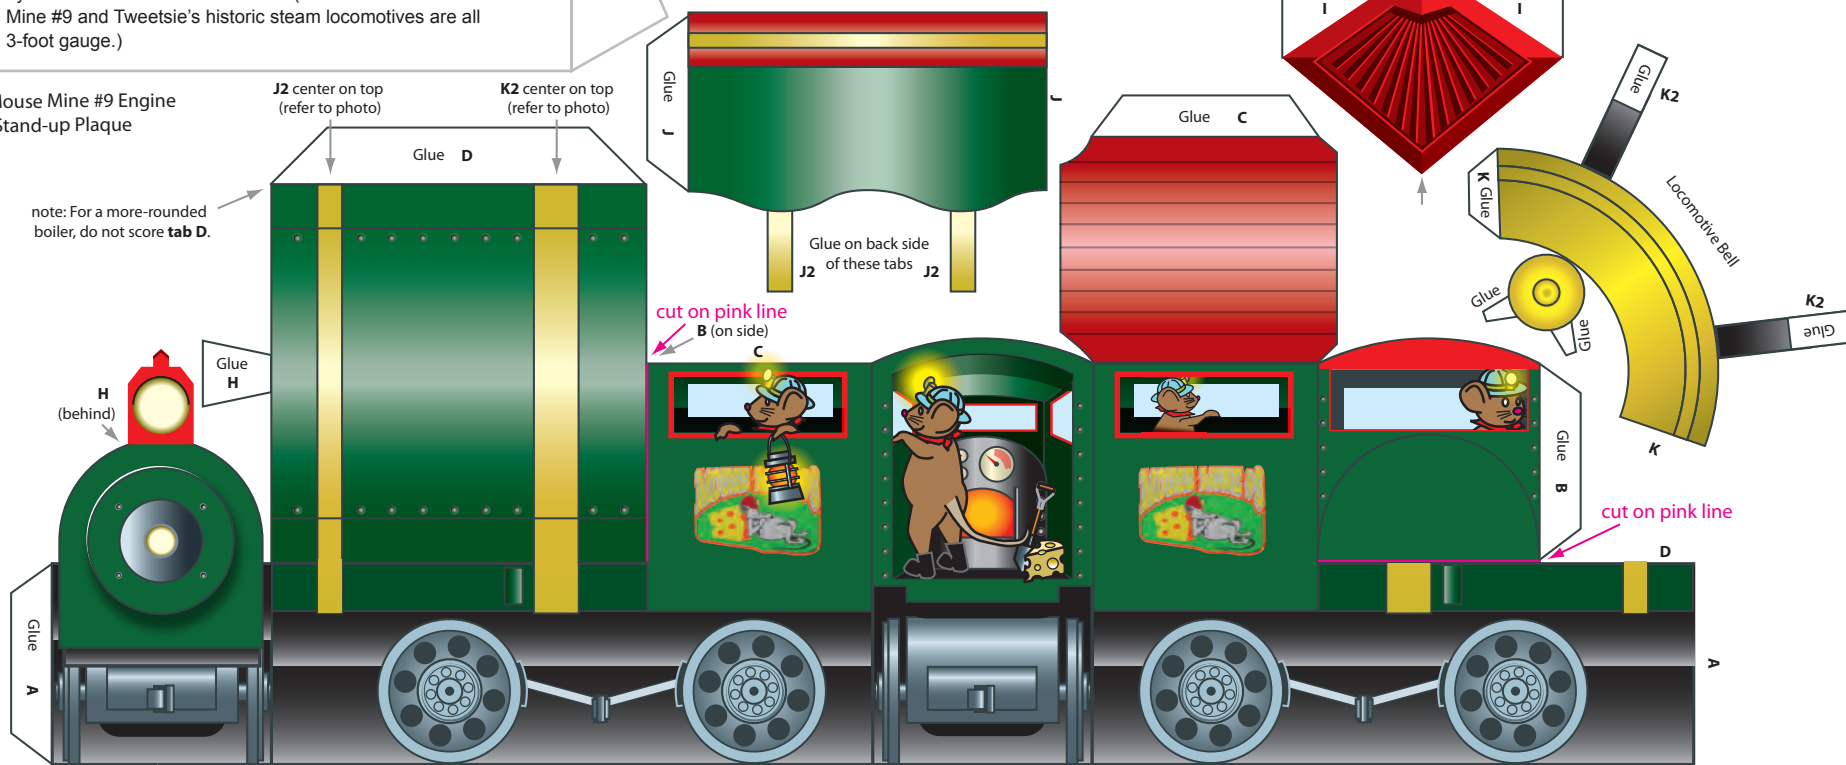

Mouse Mine #9 Engine is located on Miner's Mountain at Tweetsie Railroad. This diminutive locomotive takes visitors on a tour of the **only cheese mine in North America** ... operated by Mordecai Morehead McMouse. (Little-Known Fact: Mouse Mine #9 and Tweetsie's historic steam locomotives are all 3-foot gauge.)
